Respected Hods,

Greetings of the Day!

I am extremely happy to know that most of you have **80% or 90%, or even 100% of the PDF Versions of Major and Minor Project Reports, Dissertations, or equivalent academic work** in your respective Department.

Congratulations to all of you!

I would like to place on record your achievement in maintaining the records of Projects and Dissertations of all the students of your Department. In case any Department is not having the PDF Versions of Projects, feel free to ask any help if required.

I kindly request **the HoDs to submit on or before 27 May, 2025, the PDF Versions of Major and Minor Project Reports, Dissertations, or equivalent academic work** to the University Librarian for inclusion in the Digital Repository.

This initiative will serve a dual purpose:

1. **Systematic archiving** of academic outputs in a centralised digital repository managed by the library.
2. **Screening for potential IPR opportunities**, such as copyright, patent, or design registration, based on the merit of the submitted works.

Those who have already submitted the soft copies to the librarian at Azara Campus or Tapesia Campus kindly get the verification of the same from the respective librarian.

I also request the librarians to keep me update of the Projects & Dissertations submitted by the HoD of the respective Department.

Thank you for your support

with regards,

Registrar
