

Ref. No F061/ZG/24 -001

Dated 11 November 2024

Notification

The Vice Chancellor is pleased to appoint **Dr Jamal Hussain as the Assistant Coordinator of the Product Development, Monitoring and Commercialization Committee of RDC for a period of three years.** The Incubation Centre's activities will be monitored and managed under the auspices of Product Development, Monitoring & Commercialization of RDC, where Dr Jamal Hussain will serve as Assistant Coordinator.

This appointment reflects ADBU's commitment to fostering innovation and entrepreneurship within the University.

The core responsibilities of Product Development, Monitoring and Commercialization Committee of RDC include:

- Identifying marketable research outputs
- Supporting product and technology development
- Facilitating industry partnerships
- Enabling successful commercialization of innovations
- Startup and Incubation Support
- Entrepreneurship

Dr Jamal Hussain's expertise would significantly contribute to developing the University's startup ecosystem and his knowledge would be invaluable in mentoring students interested in entrepreneurship.

We wish him success in his new role and look forward to the continued growth and impact of the Incubation Centre under his guidance.
